STUDY ABROAD PROGRAM NOTICE #2

*Students interested in Study Abroad Programs such as OxBridge 2012 can review the information below and see the catalogue of course offerings and locations in Room 1W9.*

*Many great opportunities!*
October 21, 2011

Dear Educator,

Please find enclosed the 2012 brochures for our academic summer programs:

**Oxford & Cambridge**
- The Oxford Tradition (Grades 10-12)
- The Cambridge Tradition (Grades 10-12)
- The Oxford Prep Experience (Grades 8-9)
- The Cambridge Prep Experience (Grades 8-9)

**France & Spain**
- L’Académie de Paris (Grades 9-12)
- L’Académie de France (Grades 9-12)
- La Academia de España (Grades 10-12)
- La Escuela Prepatoria de Barcelona (Grades 8-9)

**New York**
- The New York College Experience (Ages 14-18)

You no doubt recognize the value of studying overseas, where students can discover a new culture, learn to live independently, and push themselves intellectually in new areas and among equally inspired peers. I hope that you will make these brochures available to students who would appreciate and take advantage of this type of experience.

Please feel free to call our New York office at 800-828-8349 if you have any questions about these programs or about our Teacher Seminars which we run yearly in Oxford, Cambridge, Paris, and Barcelona.

Thank you and I hope to welcome some of your students this summer.

Sincerely,
