The Carleton Liberal Arts Experience (CLAE) is designed to introduce the benefits of a liberal arts education to students who have just completed their sophomore year of high school. This highly selective, weeklong program allows students to take classes from Carleton professors, live on campus, and learn what it takes to be a successful college-bound student. CLAE will take place July 7–13, 2012. Full scholarships are available. We invite you to nominate students of African American descent or students who have an interest in African American culture. To nominate students or download a student application, go to www.carleton.edu/summer/clae. The nomination deadline is April 1, 2012.

Students will benefit from attending this excellent program at one of the nation’s top-ten liberal arts colleges. Here’s what others are saying about Carleton:
