Dear Educator,

I am writing to invite you to an information session on Sunday, February 5th, during which I will speak to local students and their families about the academic summer programs that we run in Oxford, Cambridge, Paris, Montpellier, Barcelona and New York.

Our programs are aimed at advanced junior high and high school students who have the desire and motivation to enrich themselves intellectually while immersing themselves culturally. We offer over 100 different courses in subjects from Archeology to Zoology. Our programs in France and Spain offer all levels of language courses. Over the past few summers we have had students from many of the top schools in New York and the Tri-State area, and we would love to welcome more like them in the future.

Details for the information session are as follows:

Sunday, February 5th, 2012
2:00pm – 4:00pm
Barnard College
Diana Center Event Oval
3009 Broadway at 117th Street, New York City, 10027
(212) 854-5262

I would be grateful if you would post the enclosed flyer so that students can take note of this event. I would also be delighted if you or another representative of your school joined us to find out more about our programs.

To request a full set of brochures or for any further information, please contact our office at 800-828-8349 or visit our website: www.oxbridgeprograms.com.
