Borough of Manhattan Community College (BMCC) 2012 Summer High School Rising (Jr. and Sr.) Enrichment Program

Dates of Program

The 2012 BMCC Summer High School Enrichment Program for rising high school juniors and seniors is from July 9 – August 9, Monday – Thursday 10:00am – 3:00pm.

Participants will be informed of other specific details upon their selection.

Benefits of Program

- Involvement in exciting minds-on / hands-on projects with BMCC professors and their research groups
- Familiarity with the operation of instruments and interpretation of data obtained by techniques not usually available through high school laboratories
- Participation in science and technology seminars, and in group recreational and social activities
- Development of effective working relationships with scientists
- Association with other exceptional students having similar interests
- Enhancement of specific interests in and across scientific disciplines
- Access to BMCC libraries, facilities, and computers
- Each day the students will receive a $6.00 meal ticket and a $4.50 metro card
- Possibility of earning a research stipend up to ($250.00)

Responsibilities of Participants

- Participants are expected to engage actively in all research responsibilities, seminars, and social and recreational activities from the opening orientation to the research report day at the conclusion of the program. Participants are also expected to adhere to all regulations of BMCC regarding student conduct.

Research Abstracts

- The last day of the program is Presentation Day. The students’ parents, the professors who mentored them, the undergraduate and/or graduate students who worked with the students in the lab as well as the BMCC community are invited to attend the presentations. The presentations are done with PowerPoint.
