VOLUNTEER OPPORTUNITY #1

Star Learning Center, a program of Goddard Riverside Community Center, is seeking volunteer tutors for our 2012-2013 school year program. Located on the Upper West Side of Manhattan, the program provides one-to-one tutoring to low-income children from across the city. We are looking for volunteers who are interested in working with students from 2nd to 12th grade. Each tutor must be able to commit two hours per week during the school year in order to be matched with a child. Tutoring takes place after school from 3:30-6 or 7 on Mondays through Fridays.

We have enjoyed having students from your school/program tutor here at Star in the past, and we would be happy to receive new volunteers from your organization this year. Interested students should email me as soon as possible at the following address: dhellman@goddard.org. I have also enclosed a flyer below that can be posted at your school, or copied and distributed to potential volunteers.

If your school maintains a listing of community service placements, please include this opportunity and add the updated contact information below to the position description. If you have any questions about the program, please don’t hesitate to contact me.

Thanks in advance for your help.
