New Business

There is a Freshman parent who will offer a donation of \$10 for each tree purchased by a Brooklyn Tech family or friend. If the total goes above 300 trees, he will make an additional donation. His trees are located on 8th Avenue and 8th Street. This will be announced at the general meeting.

It was decided to save any unwanted Christmas gifts for a Boutique at the Spring auction.

Liz Morano suggested that an email blast go out to parents who want to place a “grad ad”.

Locker update – All freshmen now have lockers. Student Council members are currently checking inventory of the current locker situation and the number of broken lockers.

SLT Update

The school’s grade of B is going to be studied to see if the results of the Learning Environment Survey, an area where the school did not do well, can be improved next year.

At the January meeting, a Senior Scholarship Committee needs to be formed.

Panel discussions and presentations for future meetings may include the topics of credit and what it means. The FACES workshop will also be considered from last year.
