**Event Description:** Saturday, May 1<sup>st</sup> is a day of celebration and remembrance. Over 40,000 men, women and children will join forces and walk/run in memory of those women we have lost and in honor of those women who are fighting or who have survived cancer. Our hope is for a cancer free future. An ever growing \$60 million has been distributed in the fight to cure cancer. All proceeds raised from the event benefit increasing awareness, research, treatment and support services for the brave women and families fighting cancer. **Volunteer Description:** Since 1998, many schools and students have volunteered with the premier fundraising event for women's cancers, the EIF Revlon Run/Walk For Women. We want you to join the fight! Becoming a volunteer with the Run/Walk might just be one of the most rewarding experiences you'll ever have. Event day volunteers will assist the Run/Walk Team with registration, t-shirt distribution, monitoring the route, refreshments and much more! Service hours are also available for students who wish to raise money for the cause. One hour of service will be awarded for every \$100 fundraised!
